

Phoenix Ensemble Inc.

Assistant Tutor

Part Time

Pavilion Theatre, Beenleigh Showgrounds, Beenleigh

Phoenix Young Performers is a multi-faceted theatre education program run on a Thursday for the Seniors (13 – 17 years). We believe in a holistic approach to musical theatre and focus on acting, singing and dancing in tandem. Two terms (1 and 4) are focused on learning and improving core skills and the remaining terms (2 & 3) are spent working towards a fully-staged, costumed and light show - the whole works!

We are seeking an enthusiastic Assistant tutor who has experience teaching primarily dance, but may have knowledge and understand of singing and acting. We have a strong cohort currently and are excited to continue to increase our program's numbers. Your roll will consist of creating 1 musical, along with the head tutor. So being comfortable instructing youth is a must. We would love someone with vision who can work in a team, but can lead from the front.

Available on Thursdays from 5 – 7
